

**Comply of mooring boats / lifting appliances to rules of navigation**

It has been recently noticed that mooring boats / lifting Appliances of some ships do not comply with article 20 Suez Canal rules of navigation – 1995 edition.

As the SCA is keen to address this situation a grace period of six month shall be allowed for those ships to amend their operation so as to be fully in compliance with the article.

This circular shall take effect as of 1/1/2003.

The grace period of six month will be extended to 31/12/2003 to allow ships amend their lifting appliances as per art. 20 of SC rules of navigation.
