

Concerning a Rebate in SC Transit Dues For vessels
transporting containers from Port Said Harbour to the Hub port
(east of Port Said) and vice versa through service Canal

In order to encourage the movement of containers from port Said harbour to the hub port (east of port said) and reduce the workload on the ferryboats, Suez Canal Authority has decided the following:

Article One

A discount of 30% of SC transit dues shall be granted to the Egyptian vessels transporting containers from port Said harbour to the hub port (east of port said) and vice versa through service canal.

Article Two

This circular takes effect as of 4th of March 2014 for an exceptional period of 3 months, and shall be reconsidered afterwards.
